**Title:** Care Giver for Young Adult With Disability

**Category:** Social Services

**Description:** Care provider for delightful, active 19 year old young man with intellectual disability and autism. Position would include assisting with life skills such as cooking and household chores and depending on state of Covid 19 restrictions either engaging in recreational activities at home or if able, planning and participating in activities in the community such as swimming, hiking, basketball and meeting friends. Very social and happy guy. Position requires a car and safe driving record.
