So many ways to adventure together this summer!

Summer Camp is one of the highlights of Camp Korey programming and we continually strive to provide quality adaptive program opportunities for all our campers and families within a medically safe environment!

Safety being the number one priority, the summer of 2021 will look a little different from our traditional residential summer camp program. We are excited to announce that we will be hosting:

1 Virtual Camp Session
1 BLOCK Session
6 Sessions of In–Person Programming…with a twist!

Family Centered Model:

2021 Summer Camp's Family Centered Model is a great way to try out camp as a family and get to know Camp Korey's staff and medically-safe, adaptive programs!

Families will have the opportunity to participate in the magic of camp together this summer! Each family (those living together in your household) will become what we’re calling a “Family Pod.” Throughout the week, each Family Pod will have the chance to participate in a wide variety of camp activities.

The Family Centered Model will rely on parents/caregivers for activities that require close proximity, like eating or sleeping, while our dedicated camp staff support your experience! Our seasonal staff is committed to providing the safest possible camp environment and will be quarantining at camp throughout the entire summer so they can interact with your family in meaningful and intentional ways. Join us this summer as we find new ways to adventure, new ways to make memories, and new ways to experience camp together!

Virtual Camp:

Out of the Box virtual programming is coming to a computer near you!

Join us for living room dance parties, pet parade show and tell, Cabin Chats, arts & crafts, archery, and much more as we have a literal “out of the box” camp week! We bake, we sing, we get pied, we play games, we make friends worldwide, we laugh, and we are continually reminded that camp is special not because of the location but because of the people! People like YOU! Campers from all condition groups are invited to join us during Session 3 for Virtual Camp.

If you have any questions about the application process, please email our Camper Coordinator at campercoordinator@campkorey.org, or call 360.416.4113.
