

## NOW HIRING

# CLINICAL AIDES

Prime Sports Institute is now hiring  
**Part-Time** and **Full-Time** Clinical Aides for our Sports Medicine Clinic.

*The Prime Sports Institute Training Room is an “open to the public”, supervised, athletic training facility that provides access to state-of-the art recovery tools and services, including: Compression boots, muscle stimulation, full immersion hot and cold tubs, ice/heat pack therapy, therapeutic tools and on-site injury screens.*

Ideal candidates will have:

- Kinesiology or Exercise Science major (preferred)
- 1 year of experience working in customer service or other clinic
- Valid First Aid / CPR certification
- Have taken at least 1 anatomy course
- Available to work weekend shifts as well as a morning or evening shift as needed

Responsibilities include: working under the direction of the athletic training staff, overseeing the flow of all patients as scheduled, greeting clients, keeping the clinic clean during business hours, educating clients in the use of the Training Room modalities, checking patients in, taking payment for services, and assisting in client exercise set-up, and managing daily operations.

The ideal candidate for this position is ready to grow within the position and find themselves a mature and knowledgeable professional in the field of kinesiology, sports medicine, sports therapy, and possess strong relationship skills.

The position is for at least one year to allow for this growth and can begin as early as August 15th, 2022.
