October is Washington’s Archaeology Month!

- Everyone is welcome, kids and adults! You don’t need to be an archaeologist to come!
- Check out our hands-on activities, like working with stone tools and identifying animal bones & historic artifacts!
- Talk to local archaeologists and learn about archaeology projects happening in Western Washington!
- Learn about the summer field school held by Western Washington University!

Hosted by the Association for Washington Archaeology (AWA), Whatcom Community College, & Western Washington University

TUESDAY, OCTOBER 29TH
5-7 PM
Syre Auditorium, Whatcom Community College
