1. Introduction

Thank you for your ongoing support of the accreditation process. As part of your continuing accreditation you need to submit an annual report and pay your annual maintenance fees.

**NOTE:** All programs will be invoiced in January. Payment is not to be submitted prior to receipt of invoice. You will receive your invoice in the mail in January.

Your annual report is to be submitted via this online form no later than **Sunday, March 1, 2015**.

Per the COAPRT Handbook:

All programs are required to submit an Annual Progress Report providing statistics for the previous academic year, specifying improvements made, reporting any significant changes and reporting on status of the 1.0 series standards and standards 2.05.05, 3.06, 3.07, and the 7.0 series.

An answer of “no” to questions involving the 1.0 series, 2.05.05, 3.06, and 3.07 standards would constitute non-compliance.

For the 7.0 series, failure to report the use of three assessment measures (two of which must be direct) would constitute non-compliance.

If non-compliance is noted, Council will impose Conditions and the program will have until August 1 prior to the Council's Fall Meeting to bring the identified standard(s) into compliance.

Please contact us at COAPRT@nrpa.org if you have any questions.

Thank you!

2. Contact Information

1. Please select your institution from the list below

   122099 - Western Washington University, WA

2. Please provide a short description of each of your COAPRT accredited academic programs. This description will be published on the COAPRT Program List webpage.

   **Program Description:** The Recreation Program at Western Washington University offers a Bachelor of Arts degree in Recreation with concentrations in tourism, community recreation, outdoor recreation, and therapeutic recreation. In addition to its philosophy of professional study of the recreation and leisure service profession based in principles of liberal education, the Recreation Program features an innovative phased curriculum which includes a four-part sequence of courses which students typically enter in the spring of their sophomore year and finish the fall of their senior year. Approximately 60 students enter and complete the four blocks or “phases” together as a community of learners. This arrangement has many advantages, especially a supportive community of fellow students, faculty, and alumni, a variety of learning environments such as overnight retreats, field experiences, and professional conferences, greater access to faculty and comprehensive advising and a growing alumni network throughout the state, region, and nation.

For the next section, please report learning outcomes - one from the 7.01, 7.02, and 7.03 standards (for a total of three measures) of student learning and the related outcomes. These outcomes should be a part of your program’s annual assessment plan as indicated in COAPRT standard 2.05.05 and will also be published on the COAPRT Program List webpage.

You will complete this for each of your COAPRT accredited programs. For instance, if you have two accredited programs such as a Recreation Program and a Therapeutic Recreation Program, you will submit two sets of learning outcomes - one set for each program.

TWO outcomes must have direct measures.

It is strongly suggested that you have your outcomes with you as you complete this questionnaire.

Some examples of DIRECT measures include the following:
- Capstone Assignment Quality
- Comprehensive Examination
- Internship Evaluation
- Performance of Relevant Skill
- Portfolio Evaluation
- Pre/Post Test Result
- Presentation Quality Project
- Quality Standardized Test Result
- Thesis/Project Quality
- Video/Audiotape Production Quality
- Written Assignment Evaluation
- Writing Exam Result

Some examples of INDIRECT measures include the following:
- Advisory Board Evaluation
- Alumni Survey
- Curriculum Review Result
- Employer Survey Result
- Exit/Student Interview Result
- Focus Group Result
- Graduate School Acceptance Rate
- Honors/Awards Received by the Program

7. Narrative Report - Learning Outcomes Assessment - Program #1

Please provide the following information for the Program you listed as Program #1 above.

14. Please provide the program-specific learning outcome consistent with COAPRT Standard 7.01.

7.01 - Students graduating from the program shall demonstrate the following entry-level knowledge: a) the nature and scope of the relevant park, recreation, tourism or related professions and their associated industries; b) techniques and processes used by professionals and workers in these industries; and c) the foundation of the profession in history, science and philosophy.

Understand the types of outdoor recreation agencies, including their legislative basis and current practices and contemporary issues comprising their mission to provide outdoor recreation opportunities at the city, county, state and federal level.

15. Method by which the learning outcome for Standard 7.01 was assessed:

RECR 272: Introduction to Outdoor Recreation --75% of the students receive 80% or more points on exam 1 & 2 covering course content on the nature and scope of the field of outdoor recreation. Because we are a generalist program, all of our cohort students take each of the four introductory courses in: a) outdoor, b) community, c) therapeutic recreation, and d) tourism. The RECR 272 course would be ensuring they have learned baseline knowledge in the area of outdoor recreation, and our overall assessment plan has as a direct measure the average exam scores for each of these introductory courses to ensure they are learning this material.

16. Please indicate whether this outcome measure is Direct or Indirect.

Direct
17. Result of the assessment of the learning outcome for Standard 7.01:

77% of the 62 students taking the course scored above 80% on exams 1 and 2 in the course. Of the total of 164 data points, a total of 39 exam scores were 79 or below (23%).

18. Please provide the program-specific learning outcome consistent with COAPRT Standard 7.02.

7.02 - Students graduating from the program shall be able to demonstrate the ability to design, implement, and evaluate services that facilitate targeted human experiences and that embrace personal and cultural dimensions of diversity.

Understanding and application of the principles and procedures for evaluating leisure services including, evaluation: a) questions; b) objectives, c) designs; e) collecting, analyzing, and interpreting data and f) reporting findings

19. Method by which the learning outcome for Standard 7.02 was assessed:

Final average scores of individual program evaluation proposals that were written as a culminating project, including the sequenced assignments (a) logic model, b) evaluation questions, c) literature review, d) developing a questionnaire, e) pilot testing the questionnaire and analyzing the data) that were to be included in the final proposal write-up. --75% receive 80% or more points on the aggregate assignment scores

20. Please indicate whether this outcome measure is Direct or Indirect.

Direct

21. Result of the assessment of the learning outcome for Standard 7.02:

84.0% (42/50) students received an average score of 80% or above on the aggregate score of this assignment and associated components. 8/50 students did not (16%)

22. Please provide the program-specific learning outcome consistent with COAPRT Standard 7.03.

7.03 - Students graduating from the program shall be able to demonstrate entry-level knowledge about operations and strategic management/administration in parks, recreation, tourism and/or related professions.

RECR 372: Management: Understand basic concepts and applications of management theory, management styles, organizational structure, and management techniques including an understanding of the fundamental principles and procedures of management

23. Method by which the learning outcome for Standard 7.03 was assessed:

--75% receive 80% or more points on the on the combined Exam 1 and Exam 2 scores

24. Please indicate whether this outcome measure is Direct or Indirect.

Direct

25. Result of the assessment of the learning outcome for Standard 7.03:

A total of 67/106 data points indicated by scores on exams 1 and 2 were above 80% (74%). 39 of the 106 were not above 80%, with exam 1 accounting for the majority of those scores (29/39 or 74.3%). Students showed improvement on exam 2, with 82% scoring 80% or higher.

12. Narrative Report - Accountability and Informing the Public

26. An important aspect of accreditation is accountability. It is expected that the program annually posts 7.0 series aggregated data and additional evidence reflecting program academic quality and student achievement on their program and/or departmental website. Such information shall be consistent with The Family Educational Rights and Privacy Act (FERPA) requirements (Standard 2.05.05).

Please provide a link to the program's website that demonstrates compliance with Standard 2.05.05.

27. It is expected that a program has a practice of informing the public about the harm of degree mills and accreditation mills (Standard 3.06).

Please provide a link to the program's website demonstrating compliance with Standard 3.06.

http://www.wwu.edu/pehr/recreation/accreditation.shtml
28. It is expected that the program has a practice of informing the public about their COAPRT accredited programs (Standard 3.07).

Please provide a link to the program's website demonstrating compliance with Standard 3.07.

http://www.wwu.edu/pehr/recreation/accreditation.shtml

13. Program Changes

29. Clearly describe any major changes for the reporting year in the program's strategic plan, curriculum, resources, administration, or other areas of the program. If there are no major changes in any of these areas, please just indicate "none".

We have the retirement of one faculty member in Therapeutic Recreation, Dr. Charles Sylvester in June of 2015. We have successfully hired Dr. Melissa D'Eloia of Cal State Long Beach, who will be joining us in Fall of 2015 to fill this position.
