

My name is Moira Petaia, and I am the Intake Coordinator at Eden Hospice of Whatcom County. I recently was able to meet with the Health Professions and Graduate School Advisors at WWU, Anna Tognazzini and Erika Wiescher, to discuss Eden Hospice volunteer opportunities, the structure of their students' programs, and how this opportunity may pertain to their students. I was directed to Health & Human Development as another potential volunteer pool. I would be more than willing to send our volunteer literature your way and/or set up a meeting to further discuss the details.

If you are interested, I am available by email and phone from 8am – 5pm Monday – Friday.

Thank you,

Moira Petaia *she/her* | Hospice Intake Coordinator
