

Physical Therapy Clinical Assistant/ Aide

We are a busy multi-disciplinary therapy clinic looking for a clinical assistant/aide. Degree in Exercise Science or previous experience is preferred but not necessary.

****Rock Star Needed**** Clinical Assistant for ReBound Physical, Occupational & Hand Therapy Clinic

This position may be for you if you are a positive, dynamic, self-motivated, well-organized, task oriented, reliable, dependable, lifelong learner mentality, solution-oriented ROCK STAR who loves the idea of helping others, creating systems for office processes, and for helping create an outstanding patient experience.

This position is NOT for you if you require micro-management, spend more time focusing on problems rather than solutions, spend more time on your phone than working, engage in office drama and gossip, have no interest in helping patients have a great experience, don't like the field of physical therapy, or are unable to take charge of your environment and role.

You will be expected to ensure coverage of cleaning rooms, cleaning equipment, inventory, laundry, assisting therapists, assisting with opening & closing tasks, greeting/escorting/scheduling patients, completing intake/registration/processing of new patients, insurance coordination/verification and collecting patient financial contributions.

This is a great way to get exposure and experience in the PT/OT environment prior to applying to grad school programs.

We help clients feel better, move better, and stay better without the side effects of medications, injections, or surgery. Our clients are in pain and a friendly, caring clinical assistant/aide greeting them each visit can brighten their day and aid in their recovery process.

We have positions in our Bellingham and Lynden clinics. You must be able to start as early as 7:30 and end at 5:30 or 6 M-F. Your schedule will be 3-4 days a week. The salary and benefit package are competitive. We do ask for a minimum 1-year commitment in these positions.

If YOU are our Rock Star candidate, email me your resume at canelson@hinet.org and put why you think you are the right person in your letter of interest, and put "Rock Star" in the subject line.
