

Hi WWU Kinesiology Dept,

We have recently had several PT Aides move on to Physical Therapy programs and we are looking to reload with new PT Aides that are aspiring to gain experience and grow in the PT profession.

I would appreciate it if you could share this news with any of your current or former students looking to gain rehab experience in the field of physical therapy. LWPT has had over 115 PT Aides move on to graduate programs over the last decade.

We are targeting a start date in May 2023. Approximately 35 hours/week.

Feel free to reach out to me if you have any questions or would like more information about our clinic. Interested candidates can email me their resume and cover letter directly at markbouma@lakewashingtonpt.com. I am starting to interview candidates next week.

Thank you!

Mark
